Property Description

Location: Saint Phillip, Verandah Estates

Verandah Land is located in Verandah Estates, a gated community on the east coast of Antigua. It is a hillside plot with fabulous views across the bay.

There are a couple of restaurants within walking distance and a thirty minute drive to the airport and St. Johns.

Within walking distance from some of Antigua's top, powder white, sandy beaches, Verandah Estates is on 30 acres of spectacular oceanfront, overlooking the turquoise waters of Long Bay. It is also only a brief walk away from Devil's Bridge, a spectacular, historical, national park.

The Estates enjoy direct water access to beautiful, reef-protected Long Bay, perfect for boating, fishing and water sports.

It is a fully fenced and gated community, with custom landscaping, paved roads, and street lights.

This plot is an incredible opportunity for someone wishing to build their own luxury home away from home in a beautiful, very quiet spot within a secure gated community with an array of facilities close by at the Verandah Resort.
