Property Description

Location: Jolly Harbour, St Marys

Enchanting Waterfront Luxury Villa

Located on the North Finger in Jolly Harbour,- this stunning two bedroom villa with spacious patio and extended deck and dock, offers a glimpse into the world of waterfront luxury.

Step Inside

Upon entering, you'll be greeted by an open-plan living room that effortlessly connects to a delightful patio. The real treat awaits just beyond – a lower deck and a private dock, setting the stage for your waterfront dreams.

The Heart of the Home

The kitchen, while functional with its U-shaped design and modern appliances, is due for a makeover. Yet, it bathes in natural light and boasts tasteful furnishings that create a cozy atmosphere.

Outdoor Paradise

Now, let's step outside and indulge in the view, a pivotal factor in Jolly Harbour real estate. The expansive tiled patio beckons for outdoor relaxation, leading to a lower patio, perfect for sunbathing. And let's not forget the private dock ready to accommodate your boat.

A Front-Row Beach Experience

This prime location offers a front-row seat to the beach, with breathtaking vistas of beautiful beach houses across the way. While there are currently no beach houses directly in front, the potential for sunbeds, a gazebo, or other beachfront additions is boundless.

Upstairs Tranquility

Venturing upstairs, you'll find the primary bedroom, an oasis featuring an en-suite bathroom, a wardrobe, air conditioning, and lofty ceilings. Step onto the private balcony, shaded by an awning, and soak in the panoramic view.

En-Suite Elegance

The en-suite bathroom is cleverly designed with sliding doors and stylish mirrors and tiles, though a modern update would enhance its allure.

Second Bedroom Sanctuary

The second bedroom mirrors the primary one in size and amenities, offering high ceilings, a ceiling

fan, air conditioning, and another en-suite bathroom. Like the primary bathroom, it has potential for improvement.

In a Nutshell

This property boasts two bedrooms, two and a half bathrooms, and an enviable location on the north finger of Jolly Harbour, delivering breathtaking west-facing sunsets. While some maintenance is required on the deck, and updates are desirable in the bathrooms and kitchen, the property comes fortified with hurricane shutters and armor mesh on all windows and doors, ensuring security and peace of mind.
